

Jesus, Savior, Come to Me!

1. Je - sus, Sav - ior, come to me! Let me ev - er be with Thee;
 2. Lord, for Thee I ev - er sigh, Noth - ing else can sat - is - fy;
 3. Earth - ly joys can give no peace, Can - not bid my long - ing cease;

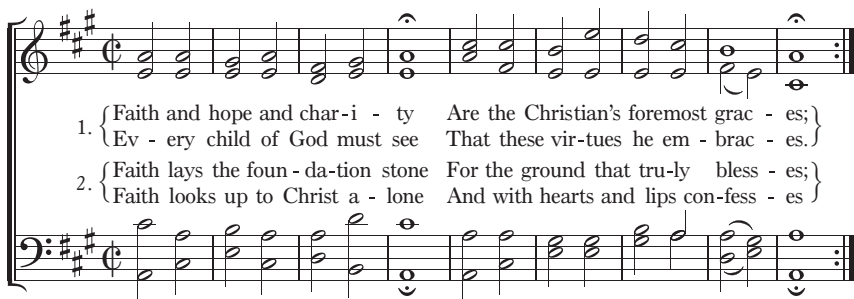

Come and nev - er - more de - part, Thou who reign - est in the heart.
 This my con - stant cry shall be: Je - sus, Je - sus, come to me!
 But to have my Je - sus near, This is per - fect pleas - ure here.

4. Lord, to Thee, whate'er betide,
 Mine own heart I open wide;
 Enter Thou, possess it all,
 Thee alone mine own I call.

5. Thou alone, my God and Lord,
 Art my Glory and Reward;
 Thou, the Lamb, didst die for me,
 Thou alone shalt Bridegroom be.
