

# 197 HALLELUJAH TO THE LORD!

## A Worship Sequence

*Sing Hallelujah (to the Lord)  
King of Kings*

WORSHIP LEADER — CHILD 1

Hallelujah! For our Lord God Almighty reigns.

CHILD 2

Let us rejoice and be glad and give Him glory!

from Revelation 19:6-7 (NKJV)

# 198 Sing Hallelujah (to the Lord)

*The elders and the living creatures worshiped God. They cried: "Amen, Hallelujah!"* Revelation 19:4

*Optional descant*

The musical score is written for three parts: Treble, Alto, and Bass. It begins with an 'Optional descant' in the Treble part, followed by a 'Unison - melody' section. The 'Introduction' section features the Treble part playing a descending scale while the Alto and Bass parts play a steady eighth-note accompaniment. The lyrics 'Sing hal-le-lu-jah to the Lord.' are sung by all parts. This is followed by a section where the Treble part has a melodic line and the Alto and Bass parts provide accompaniment, with the lyrics 'Sing hal-le-lu-jah, hal - le -'. The final section shows the Treble part with a melodic line and the Alto and Bass parts with accompaniment, with the lyrics 'Sing hal-le-lu-jah to the Lord. Sing hal-le-lu - jah,'.

The end of HALLELUJAH TO THE LORD! - A Worship Sequence

### Suggestions for effective usage of HALLELUJAH TO THE LORD!

"Sing Hallelujah (to the Lord)": Everyone sing unison melody the 1st time through. The 2nd time (and subsequent repeats) all children (or the children's choir) sing the descant while the adults and youth sing the unison melody. More than one repeat is desirable. You may also reverse this procedure - adults and youth sing the descant on the repetition while the children sing the unison melody.

"King of Kings": Everyone sing the 1st time through. The 2nd time, adults and youth sing Part I of the 2-part round, and the children (and/or children's choir) sing Part II. Repeat as many times as desired.

Another option would be to divide the congregation equally into two parts (mixing adults, children and youth). Give clear instructions to the instrumentalists as to the number of repeats of each of the two songs in this sequence.
