(121, 134, 138)

 2. A - bide, O blest Re - deem - er, And guide us with Thy Word,
 3. A - bide with us in splen - dor, Thou pure and heav'nly Light;

That Sa - tan harm us nev - er, Nor we to him give place.
 That we may now and ev - er En - joy Thy good-ness, Lord.
 Gird us with truth, sur - ren - der Us not to er - ror's night.

4. Abide with Thy rich blessing, Nor may it ever cease;
 The grace we are possessing, O Lord, in us increase!

5. Abide as our Protector, Thou Hero in the fray;
 Let Satan not be victor, And keep the world at bay!

6. Abide with us forever And grant us steadfastness;
 We pray Thee, Lord, deliver Our hearts from all distress!
